

MARKET RESEARCH ASSISTANT – 6 MONTHS CONTRACT

We at **Rieckermann Malaysia** are on an exciting journey of growth and are looking for an exceptional Market Research Assistant to help us achieve our vision to become “your first choice industrial solution provider”. At Rieckermann, our employees are our most precious asset. We embrace the values Quality, Commitment and Trust, which our colleagues and customers can appreciate in their Rieckermann experience. We welcome ideas and innovative processes that can help us drive our organization further, and encourage learning and growth for your continuous professional development.

Rieckermann is a privately-owned group of companies providing international industrial solutions. We have more than 700 employees at 26 offices in 19 countries spanning Europe, Asia and the Middle East. We have been in business since 1892 and have established ourselves as a leading provider in our core markets and industries. Our service portfolio covers the entire value chain and scope of industrial plant development in 11 industry sectors: from single unit machines and equipment to complete production lines. We deliver high quality, tailor-made solutions in engineering operations, process technologies and technical services.

If you are an excellent Market Research Assistant and would like to grow with us, **please apply by sending your resume to Ms. Shannon at s.khaw@rieckermann.com**

Key duties

- Carry out market research for various industry segments on secondary published resources.
- Communicate regularly with relevant external associations by email and over the phone.
- Find quality and reliable data specifically on the market size, market segmentation, market and brand shares, key players' performance and forecasts for each industry segment within a reasonable time frame.
- Input all relevant data into a template which will be quality checked and validated by the Project Manager.
- Provide insights and opinions into the industry segments where required.

Key requirements

- Currently pursuing or graduated with a professional certificate/diploma/degree in Business Administration, Psychology or any other related field.
- Excellent interpersonal, communication and presentation skills.
- Excellent analytical and organizational skills.
- Confident in conducting online research.
- Proficiency in MS Office Applications.
- Excellent written and verbal English skills.
