

## WE ARE HIRING

Join our team

### SERVICE ENGINEER

We at **Rieckermann China** are on an exciting journey of growth and are looking for a motivated Service Engineer in Taiwan to help us achieve our vision to become “your first choice industrial solution provider”. At Rieckermann, our employees are our most precious asset. We embrace the values Quality, Commitment and Trust, which our colleagues and customers can appreciate in their Rieckermann experience. We welcome ideas and innovative processes that can help us drive our organization further, and encourage learning and growth for your continuous professional development.

Rieckermann is a privately-owned group of companies providing international industrial solutions. We have more than 750 employees at 27 offices in 19 countries spanning Europe, Asia and the Middle East. We have been in business since 1892 and have established ourselves as a leading provider in our core markets and industries. Our service portfolio covers the entire value chain and scope of industrial plant development in 11 industry sectors: from single unit machines and equipment to complete production lines. We deliver high quality, tailor-made solutions in engineering operations, process technologies and technical services. For more information, please visit [www.rieckermann.com](http://www.rieckermann.com)

If you are an excellent Service Engineer and would like to grow with us, **please apply by sending your resume to Ms. Sara Kwok at [sara.k@rieckermann.com](mailto:sara.k@rieckermann.com)**
