

SERVICE ENGINEER

We at **Rieckermann Saudi Arabia** are on an exciting journey of growth and are looking for a motivated **Service Engineer** to join our team and help us achieve our vision to become “your first choice industrial solution provider”. At Rieckermann, our employees are our most precious asset. We embrace the values Quality, Commitment and Trust, which our colleagues and customers can appreciate in their Rieckermann experience. We welcome ideas and innovative processes that can help us drive our organization further, and encourage learning and growth for your continuous professional development.

We look forward to having you in the Rieckermann family!

KEY DUTIES

- Must be familiar with various Industrial Machineries (i.e. Food and Beverage Processing, Bakery, and Plastic)
- Must be able to understand and analyze pneumatic, hydraulic, electrical schematic diagrams, layouts and process and instrumentation diagrams
- Must be able to execute the given task in an efficient manner
- Must be able to do the assembly, inspection and testing of machines
- Must oversee the repair of each machine and inspection of its components
- Must prepare Service Report after every job completion
- Must ensure all service jobs are completed on time
- Must liaise with suppliers/spare parts suppliers on timely basis or as required
- Must be able to orient and train customers on the use of machines
- Must be able to provide after sales technical support to customers

KEY REQUIREMENTS

- Degree in Mechatronics Engineering
- With more than 5 years of professional experience in Industrial Machinery, Service and Maintenance
- Applicants from KSA must have a valid Saudi Engineering Council Certificate
- Fluent in English Language (Speaking, Reading and Writing)
- Strong Communications and Inter-Personal Skills coupled with ability to manage personnel on site
- Excellent Computer and Technical Reporting Skills
- Willingness to travel as needed

Rieckermann is a privately-owned group of companies providing international industrial solutions. We have more than 750 employees at 24 offices in 17 countries spanning Europe, Asia and the Middle East. We have been in business since 1892 and have established ourselves as a leading provider in our core markets and industries. Our service portfolio covers the entire value chain and scope of industrial plant development in various industry sectors: from single unit machines and equipment to complete production lines. We deliver high quality, tailor-made solutions in engineering operations, process technologies and technical services. For more information, please visit www.rieckermann.com

If you would like to grow with us, please apply by sending your resume to cv.middleeast@rieckermann.com
