

DUAL STUDENTS FULL TIME

We at **Rieckermann Hamburg** are on an exciting journey of growth and are looking for motivated **Dual Students** to join our team and help us achieve our vision to become “your first choice industrial solution provider”. The ideal applicant is someone who is interested in international economics, is keen on exploring different areas of our core industries, and who is willing to learn more about the management of industrial projects through collaborating with our colleagues, both locally and abroad.

In this three-year Dual Study program, you will get to explore different areas of Rieckermann. As we attach great importance to independent work, our Dual Students will be responsible for providing project support (as well as taking up tasks for their own projects) at an early stage.

At Rieckermann, we embrace the values Quality, Commitment and Trust, which our colleagues and customers can appreciate throughout their experience with Rieckermann. We encourage a strong learning culture where innovative ideas are heard, evaluated and supported, giving you the flexibility to develop both on a personal and professional level.

We look forward to having you in the Rieckermann family!

KEY DUTIES

- Collaborate with colleagues within the department to provide support to the Head of Department of one of our six core industries during the practical phase
- Management of industrial projects within Southeast Asia and the Middle East
- Participating in workshops, exhibitions, and travelling to suppliers and customers
- Taking up an apprenticeship as a merchant in wholesale and foreign trade
- Assisting with day-to-day operations relating to supplier relationship management, portfolio development and others

KEY REQUIREMENTS

- Minimally have completed your Abitur or Fachhochschulreife (high school degree)
- Above average grades in Mathematics
- Good written and verbal English skills
- Ability to work independently and reliably
- Open-mindedness and willingness to work with people from different backgrounds
- A team player with disciplined working spirits
- Willingness to travel frequently, both locally and overseas

WHAT YOU CAN EXPECT

- The opportunity to participate in trade fairs, be present at customer visits and take part in trainings at suppliers – local and international travel included!
- A chance to visit one of our many offices abroad during your studies to learn their daily operations – a great way to explore a different way of doing things!
- Getting to learn the different departments within our Hamburg Office such as “Controlling”, “Order Processing”, “Logistics” and “Accounting” – this will give you a holistic view of Rieckermann!
- A complete apprenticeship as a merchant in wholesale and foreign trade in addition to your dual-study program – learning skills while getting your Ausbildung zum Groß – und Außenhandels Kaufmann/ frau mit der Fachrichtung Außenhandel!

Rieckermann is a family-owned group of companies providing international industrial solutions. Represented by more than 750 employees from our 23 offices in 16 countries, our activities span Europe, Asia and the Middle East. We have been in business since 1892 and have established ourselves as a leading provider in our core markets and industries. Our service portfolio covers the entire value chain and scope of industrial plant development in various industry sectors: from single unit machines and equipment to complete production lines. We deliver high quality, tailor-made solutions in engineering operations, process technologies and technical services. For more information, please visit **www.rieckermann.com**

If you would like to grow with us, please apply by sending your resume to **dualstudy@rieckermann.com**
