

RICO VENTEX® VALVE MAINTENANCE

RIECKERMANN, YOUR COMPETENCE CENTER FOR SERVICE SOLUTIONS OF RICO VENTEX® VALVES

VENTEX valves protect your staff and your equipment from fire and explosion. To ensure functional safety and reliable closing of the valve in the case of an explosion, a proper maintenance program is the key.

TAILOR-MADE SERVICE SOLUTIONS FOR NEW & EQUIPMENT IN USE

- Annual inspections during your protection downtime at a minimum investment
- Full gasket & seal exchange in 5 year intervals for full functionality
- Retrofit at the end of life (20+ years) to provide 100% safety for your production lines

OUR PARTNER **RICO** CERTIFIED SAFETY

The service team of Rieckermann is trained and certified by RICO Sicherheitstechnik AG to perform these service tasks. Along with the service, we offer all necessary wear-and-tear parts.
