

DUAL STUDENTS FULL TIME

In cooperation with the Hamburg School of Business Administration (HSBA), we at **Rieckermann Hamburg** offer a three-year dual study program in **International Management** (B.Sc.), combining academic studies with practical phases at Rieckermann. We are looking for motivated dual students to join our team and help us achieve our vision of becoming “your first choice industrial solution provider”.

The dual student starting in the academic year 2026 will mainly be assigned to our Metal Processing Division, while also gaining insights into other commercial and operational departments during the program.

The ideal applicant is tech-savvy, keen on exploring different areas of the Metal Processing Industry (e.g. Automotive & Aerospace) and willing to learn more about the management of industrial projects through collaborating with our colleagues, both locally and abroad. Projects within the Metal Processing Industry include providing machinery and manufacturing lines, solutions for mass production parts, technical service as well as after sales service covering installation, commissioning, and maintenance.

As we place great importance on independent work, our dual students take responsibility for project support as well as their own tasks at an early stage.

We look forward to welcoming you to Rieckermann!

KEY DUTIES

- Support international projects within the Metal Processing Industry
- Assist in project coordination, documentation and customer communication
- Prepare market analyses, presentations and reports
- Collaborate with international offices, suppliers and partners
- Participate in trade fairs, customer and supplier visits in Germany and abroad

KEY REQUIREMENTS

- General university entrance qualification (Abitur or equivalent)
- Strong interest in international business and industrial/technical environments
- Technical affinity and curiosity for complex production processes
- Outgoing personality with strong communication and interpersonal skills
- High level of discipline, self-organization and willingness to learn
- Very good written and verbal English skills
- Good written and verbal German skills
- Confident use of MS Office applications
- Readiness to travel within Europe and Asia
- Ability to adapt to different cultures and situations

WHAT YOU CAN EXPECT

- A structured dual study program in cooperation with HSBA with focus on the Metal Processing Industry and stations in other commercial and operational departments such as accounting, controlling, logistics, order processing and marketing
- Early responsibility and involvement in real international projects
- Personal mentoring and close collaboration with experienced colleagues
- Additional vocational training as Wholesale and Foreign Trade Management Clerk (m/f/d) (Ausbildung zum Kaufmann/ zur Kauffrau für Groß- und Außenhandelsmanagement mit der Fachrichtung Außenhandel)
- Long-term career prospects within Rieckermann

Rieckermann is a family-owned group of companies providing international industrial solutions. Represented by more than 750 employees from our 23 offices in 16 countries, our activities span Europe, Asia and the Middle East. We have been in business since 1892 and have established ourselves as a leading provider in our core markets and industries. Our service portfolio covers the entire value chain and scope of industrial plant development in various industry sectors: from single unit machines and equipment to complete production lines. We deliver high quality, tailor-made solutions in engineering operations, process technologies and technical services. For more information, please visit www.riekermann.com
